The Managed Introduction of New Medicines

Royal College of Physicians & Surgeons of Glasgow, UK

9-11 July 2009

Conditions of participation

- In order to ensure that participants can benefit from each other's experiences, the organisers will limit the numbers of delegates from each sector (at present there is only 1 place per company for industry representatives). Those wishing to take part should therefore apply as soon as possible to express their interest.

- Industry places may be transferred among personnel in the same company once the application has been accepted by the organisers.

- Expressions of interest on the attached form will be accepted until 5 June 2009 if places still remain. The form can be faxed or sent as an e-mail attachment to the contact address below.

- All those expressing interest in attending the workshop will receive a reply notifying them of the result of their application. Those who are accepted must then transfer the entire course fee to the Piperska Group bank account within 21 days. Places will not be kept for those who make late payment and may be offered to others. Bank details will be supplied with the application acknowledgement.

- The workshop fee per person will be:

Public sector participants (eg from health authorities, health services and universities): £340 GBP

Private sector participants (eg from industry, private companies or individuals): £830 GBP

This fee includes all lectures and workshop activities, lunches, tea/coffee during the day, and the Gala Dinner on 10 July in the Royal College of Physicians & Surgeons of Glasgow. The fee **does not** cover any other costs, eg hotel accommodation, travel or evening subsistence costs (apart from the Gala Dinner).

- Fees must be paid into the Piperska Group UK bank account in GB pounds only. Participants are responsible for any costs incurred in making international bank transfers to the Piperska Group account.

- Cancellations will be accepted, and a full refund given, up to 9 May 2009 but thereafter no refunds will be made.

- The official language of the conference will be English and there will be no translation service.

- There will be no organised programme for accompanying persons. They may attend the Gala Dinner on payment of a separate fee which will be notified to those offered places for the conference.

- The organisers reserve the right to change the details of the workshop programme without notice.
